Findings—Intent—2022 c 104: "The legislature finds and declares that gun violence is a threat to the public health and safety of Washingtonians. Firearms equipped with large capacity magazines increase casualties by allowing a shooter to keep firing for longer periods of time without reloading. Large capacity magazines have been used in all 10 of the deadliest mass shootings since 2009, and mass

shooting events from 2009 to 2018 where the use of large capacity magazines caused twice as many deaths and 14 times as many injuries. Documentary evidence following gun rampages, including the 2014 shooting at Seattle Pacific University, reveals many instances where victims were able to escape or disarm the shooter during a pause to reload, and such opportunities are necessarily reduced when large capacity magazines are used. In addition, firearms equipped with large capacity magazines account for an estimated 22 to 36 percent of crime guns and up to 40 percent of crime guns used in serious violent crimes. Based on this evidence, and on studies showing that mass shooting fatalities declined during the 10-year period when the federal assault weapon and large capacity magazine ban was in effect, the legislature finds that restricting the sale, manufacture, and distribution of large capacity magazines is likely to reduce gun deaths and injuries. The legislature further finds that this is a well-calibrated policy based on evidence that magazine capacity limits do not interfere with responsible, lawful self-defense. The legislature further finds that the threats to public safety posed by large capacity magazines are heightened given current conditions. Our country is in the midst of a pandemic, economic recession, social tensions, and reckonings over racial justice. The years 2020 and 2021 have seen a sharp increase in gun sales and gun violence, as well as fears over gun violence and incidents of armed intimidation. In this volatile atmosphere, the legislature declares that it is time to enhance public health and safety by limiting the sale of large capacity magazines. The legislature intends to limit the prospective sale of large capacity magazines, while allowing existing legal owners to retain the large capacity magazines they currently own." [2022 c 104 § 1.]

Finding—2015 c 1 (Initiative Measure No. 594): "There is broad consensus that felons, persons convicted of domestic violence crimes, and persons dangerously mentally ill as determined by a court should not be eligible to possess guns for public safety reasons. Criminal and public safety background checks are an effective and easy

mechanism to ensure that guns are not purchased by or transferred to those who are prohibited from possessing them. Criminal and public safety background checks also reduce illegal gun trafficking. Because Washington's current background check requirements apply only to sales or transfers by licensed firearms dealers, many guns are sold or transferred without a criminal and public safety background check, allowing criminals and dangerously mentally ill individuals to gain access to guns.

Conducting criminal and public safety background checks will help ensure that all persons buying guns are legally eligible to do so. The people find that it is in the public interest to strengthen our background check system by extending the requirement for a background check to apply to all gun sales and transfers in the state, except as permitted herein. To encourage compliance with background check requirements, the sales tax imposed by RCW 82.08.020 would not apply to the sale or transfer of any firearms between two unlicensed persons if the unlicensed persons have complied with all background check requirements.

This measure would extend criminal and public safety background checks to all gun sales or transfers. Background checks would not be required for gifts between immediate family members or for antiques." [2015 c 1 § 1 (Initiative Measure No. 594, approved November 4, 2014).]

(b) Unlawful possession of a firearm in the second degree is a class C felony punishable according to chapter 9A.20 RCW.

(3) A person shall not be precluded from possession of a firearm if the conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted or the conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence. Where no record of the court's disposition of the charges can be found, there shall be a rebuttable presumption that the person was not convicted of the charge.

(4) Notwithstanding subsection (1) or (2) of this section, a person convicted or found not guilty by reason of insanity of an offense prohibiting the possession of a firearm under this section other than murder, manslaughter, robbery, rape, indecent liberties, arson, assault, kidnapping, extortion, burglary, or violations with respect to controlled substances under RCW 69.50.401 and 69.50.410, who received a probationary sentence under RCW 9.95.200, and who received a dismissal of the charge under RCW 9.95.240, shall not be precluded from possession of a firearm as a result of the conviction or finding of not guilty by reason of insanity.

(5) In addition to any other penalty provided for by law, if a person under the age of 18 years is found by a court to have possessed a firearm in a vehicle in violation of subsection (1) or (2) of this section or to have committed an offense while armed with a firearm during which offense a motor vehicle served an integral function, the court shall notify the department of licensing within 24 hours and the person's privilege to drive shall be revoked under RCW 46.20.265, unless the offense is the juvenile's first offense in violation of this section and has not committed an offense while armed with a firearm, an unlawful possession of a firearm offense, or an offense in violation of chapter 66.44, 69.52, 69.41, or 69.50 RCW.

(6) Nothing in chapter 129, Laws of 1995 shall ever be construed or interpreted as preventing an offender from being charged and subsequently convicted for the separate felony crimes of theft of a firearm or possession of a stolen firearm, or both, in addition to being charged and subsequently convicted under this section for unlawful possession of a firearm in the first or second degree. Notwithstanding any other law, if the offender is convicted under this section for unlawful possession of a firearm in the first or second degree and for the felony crimes of theft of a firearm or possession of a stolen firearm, or both, then the offender shall serve consecutive sentences for each of the felony crimes of conviction listed in this subsection.

(7) (a) A person, whether an adult or a juvenile, commits the civil infraction of unlawful possession of a firearm if the person has in the person's possession or has in the person's control a firearm after the person files a voluntary waiver of firearm rights under RCW 9.41.350 and the form has been accepted by the clerk of the court and the voluntary waiver has not been lawfully revoked.

(b) The civil infraction of unlawful possession of a firearm is a class 4 civil infraction punishable according to chapter 7.80 RCW.

(c) Each firearm unlawfully possessed under this subsection (7) shall be a separate infraction.

(d) The court may, in its discretion, order performance of up to two hours of community restitution in lieu of a monetary penalty prescribed for a civil infraction under this subsection (7).

(8) Each firearm unlawfully possessed under this section shall be a separate offense.

(9) A person may petition to restore the right to possess a firearm as provided in RCW 9.41.041. [2023 c 295 § 3; 2023 c 262 § 2; 2022 c 268 § 28; 2021 c 215 § 72; 2020 c 29 § 4. Reviser's note: This section was amended by 2023 c 262 § 2 and by 2023 c 295 § 3, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

Findings—Intent—2023 c 295: "(1) The legislature finds that gun violence is a multifaceted public health problem that includes suicide, homicide, intimate partner violence, community violence, mass violence, nonfatal gunshot injuries and threats, with community violence and mass violence often committed by those with a history of domestic violence. National data indicates that in 2021, approximately 20,996 Americans died by firearm homicide and that 81 percent of all homicides are committed with a firearm. According to United States centers for disease control and prevention data, gun homicide disproportionately impacts people of color, especially Black males ages 15 to 34, who are 20 times more likely to die by gun violence than white males in the same age group. Black, Indigenous, and Latinx women are at higher risk for intimate partner violence-related homicide, and disparities in homicide rates are especially pronounced among women between 18 and 29 years of age. Nearly 60 percent of intimate partner violence-related homicides involve firearms.

(2) When perpetrators of intimate partner violence, including physical violence, sexual abuse, stalking, and psychological aggression of a current or former intimate partner, have access to firearms, women are especially at risk of serious or deadly harm. When an abusive partner or former partner owns or has access to a firearm, the likelihood of intimate partner homicide increases by a factor of five. Women in the United States are 21 times more likely to be killed with a gun than women in other high-income countries. There are about 4,500,000 women in America who have been threatened with a gun and nearly 1,000,000 women who have been shot or shot at by an intimate partner. Perpetrators of intimate partner violence who have access to firearms also use them to coerce, control, and intimidate their partners.

(3) Many who seek protection from harm through the civil legal system, and obtain a protection order and an order to surrender and prohibit weapons, may not wish to engage the criminal legal system or to have the threat or violence they have experienced be prosecuted. According to the national intimate partner and sexual violence survey, more than one in two non-Hispanic Black women, American Indian, or Alaskan Native women, three in five multiracial non-Hispanic women, and two in five Hispanic women have been a victim of physical violence, rape, and/or stalking by a partner in their lifetime. But they are far less likely to report the crimes, due to distrust of the criminal legal system, intergenerational trauma, fear of police

interaction, and concern about over incarceration. For many, the threat of violence continues over a long period of time, making it critical that access to firearms is appropriately limited when there are ongoing indicators of risk as reflected by a protection order, an order to surrender and prohibit weapons, or violations of these orders.

(4) An extensive body of research has identified specific risk factors that increase the likelihood of individuals engaging in future violence, including gun violence, and presenting further risk to public safety. The strongest predictor of future violence is prior violent behavior, including perpetration of domestic violence and violent misdemeanors. Other particularly strong risk factors for future violence include recent violation of a domestic violence protection order or other protection order; frequent risky alcohol use or certain types of controlled substance use; and cruelty to animals. Unlawful or reckless use, display, or brandishing of a firearm and recent acquisition of firearms, ammunition, or other deadly weapons are also risk factors for future violence, as is access to firearms in general. Multiple research studies have also shown that easy access to firearms by the general public increases risk of death by both homicide and suicide. Individuals returning from incarceration are a vulnerable population for whom these risks may be compounded. Furthermore, homicide and suicide (by any means) are leading causes of death for returning residents after they are released from prison, especially soon after release. Research provides important guidance regarding events that should result in temporary prohibition of firearm rights so that the laws regarding firearm possession and the restoration of firearm rights are grounded in risk assessment data to help protect public health and safety while upholding individual liberty. These changes are not intended to punish, but to provide a regulatory framework to help ensure the safety of those with a heightened risk of experiencing gun violence.

(5) The laws requiring certain individuals who are subject to protection orders, no-contact orders, or restraining orders to immediately relinquish dangerous weapons and concealed pistol licenses, and be prohibited from possessing or purchasing firearms, have been strengthened in recent years to help better address the risks that access to firearms by those individuals poses for survivors and their children. The legislature finds that similarly strengthening the laws regarding unlawful possession and restoration of firearm rights will protect these survivors, and their families and communities, from added risk of harm, and include their personal knowledge regarding possible violations of firearm prohibitions in the restoration petition process.

(6) The legislature also finds it would be helpful to refine statutory language that was at issue in the Washington state supreme court's decision in *State v. Dennis*, 191 Wn.2d 169 (2018). In that decision, the court held that absent more specific language in RCW 9.41.040 regarding the five-year waiting period before a person may petition to have the person's firearm rights restored, the requisite waiting period may include any conviction-free period of five or more consecutive years, even if a person had been convicted of a new crime within the five years immediately preceding the person's filing of a petition for restoration of firearm rights. The legislature intends to clarify that a person may not petition to have the person's firearm rights restored if the person has been convicted of a new prohibiting

crime within the specified number of consecutive years immediately preceding the person's filing of a petition.

(7) The legislature also finds that it is important to recognize and remove barriers for individuals who have demonstrated that they have safely reintegrated into their communities." [2023 c 295 § 1.]

RCW 9.41.041 Unlawful possession of firearms—Restoration of right to possess. (1) A person who is prohibited from possession of a firearm under RCW 9.41.040 may not petition a court to have the person's right to possess a firearm restored if the person has been convicted or found not guilty by reason of insanity of: A felony sex offense; a class A felony; or a felony offense with a maximum sentence of at least 20 years.

(2) A person who is prohibited from possession of a firearm under RCW 9.41.040, and is not disqualified from petitioning for restoration of firearm rights under subsection (1) of this section or required to

petition as provided for in RCW 9.41.047, may petition a superior court to have the person's right to possess a firearm restored.

(a) The person must have, for the period of consecutive years as specified below immediately preceding the filing of the petition, been in the community without being convicted or found not guilty by reason of insanity of any crime that prohibits the possession of a firearm, as follows:

(i) Five years for a conviction or finding of not guilty by reason of insanity for any felony offense, or any of the following gross misdemeanor or misdemeanor offenses:

(A) Domestic violence (RCW 10.99.020);

(B) Stalking;

(C) Cyberstalking;

(D) Cyber harassment, excluding cyber harassment committed solely pursuant to the element set forth in RCW 9A.90.120(1)(a)(i);

(E) Harassment;

(F) Aiming or discharging a firearm (RCW 9.41.230);

(G) Unlawful carrying or handling of a firearm (RCW 9.41.270);

(H) Animal cruelty in the second degree committed under RCW 16.52.207(1);

(I) Prior offense as defined by RCW 46.61.5055; or

(J) Violation of the provisions of an order to surrender and prohibit weapons, an extreme risk protection order, or the provisions of a protection order or no-contact order restraining the person or excluding the person from a residence; and

(ii) Three years for a conviction or finding of not guilty by reason of insanity for one or more nonfelony crimes not covered in (a)(i) of this subsection.

(b) The person petitioning for firearm rights to be restored must also meet the following requirements:

(i) Has no pending charges for any felony, gross misdemeanor, or misdemeanor crime at the time the petition is filed or during the petition process;

(ii) Has completed all sentencing conditions, other than nonrestitution fines and fees, for each felony, gross misdemeanor, or misdemeanor conviction on which the prohibition was based, including all court-ordered treatment. The court shall waive the requirement of this subsection (2)(b)(ii) if the petitioner provides verification from the sentencing court that relevant court records are no longer available, or attests to the unavailability of relevant records from other entities;

(iii) Has no prior felony convictions that would count as part of an offender score under RCW 9.94A.525 and has no out-of-state conviction for an offense which would disqualify the person from purchasing or possessing a firearm in the state of conviction. This determination shall be the responsibility of, and conducted by, the prosecuting attorney. An individual shall not be precluded from filing a petition to restore their firearm rights on the basis that they cannot verify whether they are disqualified from purchasing or possessing a firearm in the state of conviction; and

(iv) Has been determined by law enforcement based on available records and information as not subject to any other prohibition on possessing a firearm at the time the petition for the restoration of firearm rights is filed or during the petition process, and would be able to pass a background check to purchase a firearm if the petition to restore firearm rights is granted.

(d) The prosecuting attorney must verify in writing to the court that the prosecuting attorney has reviewed the relevant records, including written verification from Washington state patrol that Washington state patrol has conducted a records check of all civil and criminal records relevant to the prohibitors in RCW 9.41.040, and based on that information, whether there is sufficient evidence to determine that the person petitioning for restoration of firearm rights meets all the requirements set forth in RCW 9.41.040 and in this section to petition for and to be granted restoration of firearm rights.

(e) The court may set a hearing on the petition if the court determines additional information is necessary to determine whether the person meets the requirements for restoration of firearm rights.

(f) The court shall grant the petition only if the court finds that the person petitioning for restoration of firearm rights meets the requirements set forth in this section.

(g) The prosecuting attorney shall notify any victim who requests notification of the court's decision.

(4) When a person's right to possess a firearm has been restored under this section, the court shall forward, within three judicial days after entry of the restoration order, notification that the person's right to possess a firearm has been restored to the Washington state patrol with a copy of the person's driver's license or identicard, or comparable identification such as the person's name, address, and date of birth.

(5) By December 30, 2023, the administrative office of the courts shall develop and distribute standard forms for petitions and orders issued under this section and RCW 9.41.047, and update protection order and no-contact order forms to allow victims to opt out of the notification provided for in this section if they do not wish to be notified at the time of a petition for firearm rights restoration. Beginning January 1, 2024, courts shall use the standard forms for petitions and orders under this section and RCW 9.41.047, and the updated protection order and no-contact order forms.

RCW 9.41.065 Correctional employees—Effect of exemption from firearms restrictions—Liability limited. The exemptions from firearms restrictions in RCW 9.41.060 and 9.41.300 for correctional personnel and community corrections officers who complete government-sponsored law enforcement firearms training do not create a duty on the part of the state or local governmental entities with respect to the off-duty conduct of correctional personnel and community corrections officers involving the use or misuse of a firearm.

The state of Washington, local governmental entities, and their officers, employees, and agents are not liable for any civil damages caused by the use or misuse of a firearm by off-duty correctional personnel or community corrections officers based on any act or omission in the provision of government-sponsored firearms training to the correctional personnel or community corrections officers. [2011 c 221 § 3.]

RCW 9.41.070 Concealed pistol license—Application—Fee—Renewal.

(1) The chief of police of a municipality or the sheriff of a county shall within thirty days after the filing of an application of any person, issue a license to such person to carry a pistol concealed on his or her person within this state for five years from date of issue, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. The issuing authority shall not refuse to accept completed applications for concealed pistol licenses during regular business hours.

The applicant's constitutional right to bear arms shall not be denied, unless:

(a) He or she is ineligible to possess a firearm under the provisions of RCW 9.41.040 or 9.41.045, or is prohibited from possessing a firearm under federal law;

(b) The applicant's concealed pistol license is in a revoked status;

(c) He or she is under twenty-one years of age;

(d) He or she is subject to a court order or injunction regarding firearms pursuant to chapter 7.105 RCW, or RCW 9A.46.080, 10.99.040, 10.99.045, 26.09.050, 26.09.060, *26.10.040, 26.26B.020, or 26.26A.470, or any of the former RCW 10.14.080, 26.10.115, 26.50.060, and 26.50.070;

(e) He or she is free on bond or personal recognizance pending trial, appeal, or sentencing for a felony offense;

(f) He or she has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or

(g) He or she has been ordered to forfeit a firearm under RCW 9.41.098(1)(e) within one year before filing an application to carry a pistol concealed on his or her person.

No person convicted of a felony may have his or her right to possess firearms restored or his or her privilege to carry a concealed pistol restored, unless the person has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c), or RCW 9.41.040 (3) or (4) applies.

(2)(a) The issuing authority shall conduct a check through the national instant criminal background check system, the Washington state patrol electronic database, the health care authority electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 or 9.41.045 to possess a firearm, or is prohibited from possessing a firearm under federal law, and therefore ineligible for a concealed pistol license.

(b) The issuing authority shall deny a permit to anyone who is found to be prohibited from possessing a firearm under federal or state law.

(c) (a) and (b) of this subsection apply whether the applicant is applying for a new concealed pistol license or to renew a concealed pistol license.

(d) A background check for an original license must be conducted through the Washington state patrol criminal identification section and shall include a national check from the federal bureau of investigation through the submission of fingerprints. The results will be returned to the issuing authority. The applicant may request and receive a copy of the results of the background check from the issuing authority. If the applicant seeks to amend or correct their record, the applicant must contact the Washington state patrol for a Washington state record or the federal bureau of investigation for records from other jurisdictions.

(3) Any person whose firearms rights have been restricted and who has been granted relief from disabilities by the attorney general under 18 U.S.C. Sec. 925(c) or who is exempt under 18 U.S.C. Sec. 921(a)(20)(A) shall have his or her right to acquire, receive, transfer, ship, transport, carry, and possess firearms in accordance with Washington state law restored except as otherwise prohibited by this chapter.

(4) The license application shall bear the full name, residential address, telephone number at the option of the applicant, email address at the option of the applicant, date and place of birth, race, gender, description, a complete set of fingerprints, and signature of the licensee, and the licensee's driver's license number or state identification card number if used for identification in applying for the license. A signed application for a concealed pistol license shall constitute a waiver of confidentiality and written request that the

health care authority, mental health institutions, and other health care facilities release information relevant to the applicant's eligibility for a concealed pistol license to an inquiring court or law enforcement agency.

The application for an original license shall include a complete set of fingerprints to be forwarded to the Washington state patrol.

The license and application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law.

The application shall contain questions about the applicant's eligibility under RCW 9.41.040 and federal law to possess a pistol, the applicant's place of birth, and whether the applicant is a United States citizen. If the applicant is not a United States citizen, the applicant must provide the applicant's country of citizenship, United States issued alien number or admission number, and the basis on which the applicant claims to be exempt from federal prohibitions on firearm possession by aliens. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. A person who is not a citizen of the United States shall, if applicable, meet the additional requirements of RCW 9.41.173 and produce proof of compliance with RCW 9.41.173 upon application. The license may be in triplicate or in a form to be prescribed by the department of licensing.

A photograph of the applicant may be required as part of the application and printed on the face of the license.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing the license.

The department of licensing shall make available to law enforcement and corrections agencies, in an online format, all information received under this subsection.

(5) The nonrefundable fee, paid upon application, for the original five-year license shall be thirty-six dollars plus additional charges imposed by the federal bureau of investigation that are passed on to the applicant. No other state or local branch or unit of government may impose any additional charges on the applicant for the issuance of the license.

The fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;
(b) Four dollars shall be paid to the agency taking the fingerprints of the person licensed;

(c) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter;

(d) Two dollars and sixteen cents to the firearms range account in the general fund; and

(e) Eighty-four cents to the concealed pistol license renewal notification account created in RCW 43.79.540.

(6) The nonrefundable fee for the renewal of such license shall be thirty-two dollars. No other branch or unit of government may impose any additional charges on the applicant for the renewal of the license.

The renewal fee shall be distributed as follows:

(a) Fifteen dollars shall be paid to the state general fund;

(b) Fourteen dollars shall be paid to the issuing authority for the purpose of enforcing this chapter;

(c) Two dollars and sixteen cents to the firearms range account in the general fund; and

(d) Eighty-four cents to the concealed pistol license renewal notification account created in RCW 43.79.540.

(7) The nonrefundable fee for replacement of lost or damaged licenses is ten dollars to be paid to the issuing authority.

(8) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(9) (a) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (6) of this section. The fee shall be distributed as follows:

(i) Three dollars shall be deposited in the limited fish and wildlife account and used exclusively first for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law, and subsequently the support of volunteer instructors in the basic firearms safety training program conducted by the department of fish and wildlife. The pamphlet shall be given to each applicant for a license; and

(ii) Seven dollars shall be paid to the issuing authority for the purpose of enforcing this chapter.

(b) Beginning with concealed pistol licenses that expire on or after August 1, 2018, the department of licensing shall mail a renewal notice approximately ninety days before the license expiration date to the licensee at the address listed on the concealed pistol license application, or to the licensee's new address if the licensee has notified the department of licensing of a change of address. Alternatively, if the licensee provides an email address at the time of license application, the department of licensing may send the renewal notice to the licensee's email address. The notice must contain the date the concealed pistol license will expire, the amount of renewal fee, the penalty for late renewal, and instructions on how to renew the license.

(10) Notwithstanding the requirements of subsections (1) through (9) of this section, the chief of police of the municipality or the sheriff of the county of the applicant's residence may issue a temporary emergency license for good cause pending review under subsection (1) of this section. However, a temporary emergency license issued under this subsection shall not exempt the holder of the license from any records check requirement. Temporary emergency licenses shall be easily distinguishable from regular licenses.

(11) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political

subdivision ask the applicant to voluntarily submit any information not required by this section.

(12) A person who knowingly makes a false statement regarding citizenship or identity on an application for a concealed pistol license is guilty of false swearing under RCW 9A.72.040. In addition to any other penalty provided for by law, the concealed pistol license of a person who knowingly makes a false statement shall be revoked, and the person shall be permanently ineligible for a concealed pistol license.

(13) A person may apply for a concealed pistol license:

(a) To the municipality or to the county in which the applicant resides if the applicant resides in a municipality;

(b) To the county in which the applicant resides if the applicant resides in an unincorporated area; or

(c) Anywhere in the state if the applicant is a nonresident.

(14) Any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service may renew his or her license within ninety days after the person returns to this state from out-of-state military service, if the person provides the following to the issuing authority no later than ninety days after the person's date of discharge or assignment, reassignment, or deployment back to this state: (a) A copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service, and (b) if appropriate, a copy of the person's discharge or amended or subsequent assignment, reassignment, or deployment order back to this state. A license so renewed under this subsection (14) shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license under this subsection (14) shall pay only the renewal fee specified in subsection (6) of this section and shall not be required to pay a late renewal penalty in addition to the renewal fee.

(15)(a) By October 1, 2019, law enforcement agencies that issue concealed pistol licenses shall develop and implement a procedure for the renewal of concealed pistol licenses through a mail application process, and may develop an online renewal application process, for any person who, as a member of the armed forces, including the national guard and armed forces reserves, is unable to renew his or her license under subsections (6) and (9) of this section because of the person's assignment, reassignment, or deployment for out-of-state military service.

(b) A person applying for a license renewal under this subsection shall:

(i) Provide a copy of the person's original order designating the specific period of assignment, reassignment, or deployment for out-of-state military service;

(ii) Apply for renewal within ninety days before or after the expiration date of the license; and

(iii) Pay the renewal licensing fee under subsection (6) of this section, and, if applicable, the late renewal penalty under subsection (9) of this section.

(c) A license renewed under this subsection takes effect on the expiration date of the prior license and is valid for a period of one year. [2021 c 215 § 94; 2020 c 148 § 2. Prior: 2019 c 249 § 1; 2019 c 135 § 1; 2019 c 46 § 5004; prior: 2018 c 226 § 2; 2018 c 201 § 6002;

RCW 9.41.073 Concealed pistol license—Reciprocity. (1) (a) A person licensed to carry a pistol in a state the laws of which recognize and give effect in that state to a concealed pistol license

issued under the laws of the state of Washington is authorized to carry a concealed pistol in this state if:

(i) The licensing state does not issue concealed pistol licenses to persons under twenty-one years of age; and

(ii) The licensing state requires mandatory fingerprint-based background checks of criminal and mental health history for all persons who apply for a concealed pistol license.

(b) This section applies to a license holder from another state only while the license holder is not a resident of this state. A license holder from another state must carry the handgun in compliance with the laws of this state.

(2) The attorney general shall periodically publish a list of states the laws of which recognize and give effect in that state to a concealed pistol license issued under the laws of the state of Washington and which meet the requirements of subsection (1)(a)(i) and (ii) of this section. [2004 c 148 § 1.]

RCW 9.41.075 Concealed pistol license—Revocation. (1) The license shall be revoked by a law enforcement agency immediately upon:

(c) Conviction of the licensee for a third violation of this chapter within five calendar years;

(d) An order that the licensee forfeit a firearm under RCW 9.41.098(1)(d); or

(e) The law enforcement agency's receipt of an order to surrender and prohibit weapons or an extreme risk protection order, other than an ex parte temporary protection order, issued against the licensee.

(2)(a) Unless the person may lawfully possess a pistol without a concealed pistol license, an ineligible person to whom a concealed pistol license was issued shall, within 14 days of license revocation, lawfully transfer ownership of any pistol acquired while the person was in possession of the license.

(b) Upon discovering a person issued a concealed pistol license was ineligible for the license, the law enforcement agency shall contact the department of licensing to determine whether the person purchased a pistol while in possession of the license. If the person did purchase a pistol while in possession of the concealed pistol license, if the person may not lawfully possess a pistol without a concealed pistol license, the law enforcement agency shall require the person to present satisfactory evidence of having lawfully transferred ownership of the pistol. The law enforcement agency shall require the person to produce the evidence within 15 days of the revocation of the license.

(3) When a licensee is ordered to forfeit a firearm under RCW 9.41.098(1)(d), the law enforcement agency shall:

(a) On the first forfeiture, revoke the license for one year;

RCW 9.41.080 Delivery to ineligible persons. RCW 9.41.090 Dealer deliveries regulated—Hold on delivery—Fees authorized. (Effective until January 1, 2024.) (1) In addition to the other requirements of this chapter, no dealer may deliver a pistol to the purchaser thereof until:

(a) The purchaser produces a valid concealed pistol license and the dealer has recorded the purchaser's name, license number, and issuing agency, such record to be made in triplicate and processed as provided in subsection (6) of this section. For purposes of this subsection (1)(a), a "valid concealed pistol license" does not include a temporary emergency license, and does not include any license issued before July 1, 1996, unless the issuing agency conducted a records search for disqualifying crimes under RCW 9.41.070 at the time of issuance;

(b) The dealer is notified in writing by (i) the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a pistol under RCW 9.41.040 and

that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or

(c) The requirements or time periods in RCW 9.41.092 have been satisfied.

(2) In addition to the other requirements of this chapter, no dealer may deliver a semiautomatic assault rifle to the purchaser thereof until:

(a) The purchaser provides proof that he or she has completed a recognized firearm safety training program within the last five years that, at a minimum, includes instruction on:

- (i) Basic firearms safety rules;
- (ii) Firearms and children, including secure gun storage and talking to children about gun safety;
- (iii) Firearms and suicide prevention;
- (iv) Secure gun storage to prevent unauthorized access and use;
- (v) Safe handling of firearms; and
- (vi) State and federal firearms laws, including prohibited firearms transfers.

The training must be sponsored by a federal, state, county, or municipal law enforcement agency, a college or university, a nationally recognized organization that customarily offers firearms training, or a firearms training school with instructors certified by a nationally recognized organization that customarily offers firearms training. The proof of training shall be in the form of a certification that states under the penalty of perjury the training included the minimum requirements; and

(b) The dealer is notified in writing by (i) the chief of police or the sheriff of the jurisdiction in which the purchaser resides that the purchaser is eligible to possess a firearm under RCW 9.41.040 and that the application to purchase is approved by the chief of police or sheriff; or (ii) the state that the purchaser is eligible to possess a firearm under RCW 9.41.040, as provided in subsection (3)(b) of this section; or

(c) The requirements or time periods in RCW 9.41.092 have been satisfied.

(3)(a) Except as provided in (b) of this subsection, in determining whether the purchaser meets the requirements of RCW 9.41.040, the chief of police or sheriff, or the designee of either, shall check with the national crime information center, including the national instant criminal background check system, provided for by the Brady handgun violence prevention act (18 U.S.C. Sec. 921 et seq.), the Washington state patrol electronic database, the health care authority electronic database, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 to possess a firearm.

(b) The state, through the legislature or initiative process, may enact a statewide firearms background check system equivalent to, or more comprehensive than, the check required by (a) of this subsection to determine that a purchaser is eligible to possess a firearm under RCW 9.41.040. Once a state system is established, a dealer shall use the state system and national instant criminal background check system, provided for by the Brady handgun violence prevention act (18 U.S.C. Sec. 921 et seq.), to make criminal background checks of applicants to purchase firearms.

(4) In any case under this section where the applicant has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor, the dealer shall hold the delivery of the pistol or semiautomatic assault rifle until the warrant for arrest is served and satisfied by appropriate court appearance. The local jurisdiction for purposes of the sale, or the state pursuant to subsection (3)(b) of this section, shall confirm the existence of outstanding warrants within seventy-two hours after notification of the application to purchase a pistol or semiautomatic assault rifle is received. The local jurisdiction shall also immediately confirm the satisfaction of the warrant on request of the dealer so that the hold may be released if the warrant was for an offense other than an offense making a person ineligible under RCW 9.41.040 to possess a firearm.

(5) In any case where the chief or sheriff of the local jurisdiction, or the state pursuant to subsection (3)(b) of this section, has reasonable grounds based on the following circumstances: (a) Open criminal charges, (b) pending criminal proceedings, (c) pending commitment proceedings, (d) an outstanding warrant for an offense making a person ineligible under RCW 9.41.040 to possess a firearm, or (e) an arrest for an offense making a person ineligible under RCW 9.41.040 to possess a firearm, if the records of disposition have not yet been reported or entered sufficiently to determine eligibility to purchase a firearm, the local jurisdiction or the state may hold the sale and delivery of the pistol or semiautomatic assault rifle up to thirty days in order to confirm existing records in this state or elsewhere. After thirty days, the hold will be lifted unless an extension of the thirty days is approved by a local district court, superior court, or municipal court for good cause shown. A dealer shall be notified of each hold placed on the sale by local law enforcement or the state and of any application to the court for additional hold period to confirm records or confirm the identity of the applicant.

(6)(a) At the time of applying for the purchase of a pistol or semiautomatic assault rifle, the purchaser shall sign in triplicate and deliver to the dealer an application containing:

(i) His or her full name, residential address, date and place of birth, race, and gender;

(ii) The date and hour of the application;

(iii) The applicant's driver's license number or state identification card number;

(iv) A description of the pistol or semiautomatic assault rifle including the make, model, caliber and manufacturer's number if available at the time of applying for the purchase of a pistol or semiautomatic assault rifle. If the manufacturer's number is not available at the time of applying for the purchase of a pistol or semiautomatic assault rifle, the application may be processed, but delivery of the pistol or semiautomatic assault rifle to the purchaser may not occur unless the manufacturer's number is recorded on the application by the dealer and transmitted to the chief of police of the municipality or the sheriff of the county in which the purchaser resides, or the state pursuant to subsection (3)(b) of this section;

(v) A statement that the purchaser is eligible to purchase and possess a firearm under state and federal law; and

(vi) If purchasing a semiautomatic assault rifle, a statement by the applicant under penalty of perjury that the applicant has

completed a recognized firearm safety training program within the last five years, as required by subsection (2) of this section.

(b) The application shall contain two warnings substantially stated as follows:

(i) CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution; and

(ii) CAUTION: The presence of a firearm in the home has been associated with an increased risk of death to self and others, including an increased risk of suicide, death during domestic violence incidents, and unintentional deaths to children and others.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms and firearms safety.

(c) The dealer shall, by the end of the business day, sign and attach his or her address and deliver a copy of the application and such other documentation as required under subsections (1) and (2) of this section to the chief of police of the municipality or the sheriff of the county of which the purchaser is a resident, or the state pursuant to subsection (3)(b) of this section. The triplicate shall be retained by the dealer for six years. The dealer shall deliver the pistol or semiautomatic assault rifle to the purchaser following the period of time specified in this chapter unless the dealer is notified of an investigative hold under subsection (5) of this section in writing by the chief of police of the municipality, the sheriff of the county, or the state, whichever is applicable, or of the denial of the purchaser's application to purchase and the grounds thereof. The application shall not be denied unless the purchaser is not eligible to purchase or possess the firearm under state or federal law.

(d) The chief of police of the municipality or the sheriff of the county, or the state pursuant to subsection (3)(b) of this section, shall retain or destroy applications to purchase a pistol or semiautomatic assault rifle in accordance with the requirements of 18 U.S.C. Sec. 922.

RCW 9.41.090 Dealer deliveries regulated—Hold on delivery—Fees authorized. (Effective January 1, 2024.) (1) In addition to the other requirements of this chapter, no dealer may deliver a firearm to the purchaser thereof until:

(a) The purchaser provides proof of completion of a recognized firearm safety training program within the last five years that complies with the requirements in RCW 9.41.1132, or proof that the purchaser is exempt from the training requirement;

(b) The dealer is notified by the Washington state patrol firearms background check program that the purchaser is eligible to possess a firearm under state and federal law; and

(c) The requirements and time periods in RCW 9.41.092 have been satisfied.

(2) In determining whether the purchaser is eligible to possess a firearm, the Washington state patrol firearms background check program shall check with the national instant criminal background check system, provided for by the Brady handgun violence prevention act (18 U.S.C. Sec. 921 et seq.), the Washington state patrol electronic database, the health care authority electronic database, the administrative office of the courts, LInX-NW, and with other agencies or resources as appropriate, to determine whether the applicant is ineligible under RCW 9.41.040 to possess a firearm.

(3) (a) At the time of applying for the purchase of a firearm, the purchaser shall sign and deliver to the dealer an application containing:

- (i) His or her full name, residential address, date and place of birth, race, and gender;
 - (ii) The date and hour of the application;
 - (iii) The applicant's driver's license number or state identification card number;
 - (iv) A description of the firearm including the make, model, caliber and manufacturer's number if available at the time of applying for the purchase of the firearm. If the manufacturer's number is not available at the time of applying for the purchase of a firearm, the application may be processed, but delivery of the firearm to the purchaser may not occur unless the manufacturer's number is recorded on the application by the dealer and transmitted to the Washington state patrol firearms background check program; and
 - (v) A statement that the purchaser is eligible to purchase and possess a firearm under state and federal law.
- (b) The dealer shall provide the applicant with information that contains two warnings substantially stated as follows:

(i) CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. State permission to purchase a firearm is not a defense to a federal prosecution; and

(ii) CAUTION: The presence of a firearm in the home has been associated with an increased risk of death to self and others, including an increased risk of suicide, death during domestic violence incidents, and unintentional deaths to children and others.

The purchaser shall be given a copy of the department of fish and wildlife pamphlet on the legal limits of the use of firearms and firearms safety.

(c) The dealer shall, by the end of the business day, transmit the information from the application through secure automated firearms e-check (SAFE) to the Washington state patrol firearms background check program. The original application shall be retained by the dealer for six years.

(d) The dealer shall deliver the firearm to the purchaser once the requirements and period of time specified in this chapter are satisfied. The application shall not be denied unless the purchaser is not eligible to purchase or possess the firearm under state or federal law or has not complied with the requirements of this section.

(e) The Washington state patrol firearms background check program shall retain or destroy applications to purchase a firearm in accordance with the requirements of 18 U.S.C. Sec. 922.

(4) A person who knowingly makes a false statement regarding identity or eligibility requirements on the application to purchase a firearm is guilty of false swearing under RCW 9A.72.040.

(3) No dealer may sell or otherwise transfer, or expose for sale or transfer, or have in his or her possession with intent to sell, or otherwise transfer, any ammunition without being licensed as provided in this section.

(4) The duly constituted licensing authorities of any city, town, or political subdivision of this state shall grant licenses in forms prescribed by the director of licensing effective for not more than one year from the date of issue permitting the licensee to sell firearms within this state subject to the following conditions, for breach of any of which the license shall be forfeited and the licensee subject to punishment as provided in RCW 9.41.010 through 9.41.810. A licensing authority shall forward a copy of each license granted to the department of licensing. The department of licensing shall notify the department of revenue of the name and address of each dealer licensed under this section.

(5) (a) A licensing authority shall, within thirty days after the filing of an application of any person for a dealer's license, determine whether to grant the license. However, if the applicant does not have a valid permanent Washington driver's license or Washington state identification card, or has not been a resident of the state for the previous consecutive ninety days, the licensing authority shall have up to sixty days to determine whether to issue a license. Intent—1989 c 231: "The legislature is concerned about the increasing number of drug dealers, gang members, and other dangerous criminals who are increasingly being found in possession of machine guns. The legislature recognizes that possession of machine guns by dangerous criminals represents a serious threat to law enforcement officers and the general public. The use of a machine gun in furtherance of a felony is a particularly heinous crime because of the potential for great harm or death to a large number of people. It is the intent of the legislature to protect the public safety by deterring the illegal use of machine guns in the furtherance of a felony by creating a separate offense with severe penalties for such use of a machine gun." The locked box or designated official shall be located within the same building used in connection with court proceedings. The local legislative authority shall be

(b) It is unlawful for any person to knowingly open carry a firearm or other weapon while knowingly within 250 feet of the perimeter of a permitted demonstration after a duly authorized state or local law enforcement officer advises the person of the permitted demonstration and directs the person to leave until he or she no longer possesses or controls the firearm or other weapon. A business selling firearms that exists as of the date a restriction is enacted under this subsection (4)(b) shall be grandfathered according to existing law.

(5) Violations of local ordinances adopted under subsection (3) of this section must have the same penalty as provided for by state law.

(6) The perimeter of the premises of any specific location covered by subsection (1) of this section shall be posted at reasonable intervals to alert the public as to the existence of any law restricting the possession of firearms on the premises.

The person filing the form may provide the name of a family member, mental health professional, substance use disorder professional, or alternate person to be contacted if the filer attempts to purchase a firearm while the voluntary waiver of firearm rights is in effect or if the filer applies to have the voluntary waiver revoked. The notice must state that the filer's possession or control of a firearm is unlawful under RCW 9.41.040(7) and that any firearm in the filer's possession or control should be surrendered immediately. By the end of the business day, the clerk of the court must transmit the accepted form to the Washington state patrol. The

The clerk of the court must request a physical or scanned copy of photo identification to verify the person's identity prior to updating the contact information on the form. By the end of the business day, the clerk of the court must transmit the updated contact information to the Washington state patrol.

(3) No sooner than seven calendar days after filing a voluntary waiver of firearm rights, the person may file a revocation of the voluntary waiver of firearm rights, either in writing or electronically, in the same county where the voluntary waiver of firearm rights was filed. By the end of the business day, the clerk of the court must transmit the form to the Washington state patrol and to any family member, mental health professional, substance use disorder professional, or alternate person listed on the voluntary waiver of firearm rights. Within seven days of receiving a revocation of a voluntary waiver of firearm rights, the Washington state patrol must remove the person from the national instant criminal background check system, and any other federal or state computer-based systems used by law enforcement agencies or others to identify prohibited purchasers of firearms in which the person was entered, unless the person is otherwise ineligible to possess a firearm under RCW 9.41.040, and destroy all records of the voluntary waiver.

RCW 9.41.360 Unsafe storage of a firearm.

(1) A person who stores or leaves a firearm in a location where the person knows, or reasonably should know, that a prohibited person may gain access to the firearm:

(a) Is guilty of community endangerment due to unsafe storage of a firearm in the first degree if a prohibited person obtains access and possession of the firearm and causes personal injury or death with the firearm; or

(ii) Carries, exhibits, or displays the firearm in a public place in a manner that either manifests an intent to intimidate another or that warrants alarm for the safety of other persons; or

(iii) Uses the firearm in the commission of a crime.

(2) (a) Community endangerment due to unsafe storage of a firearm in the first degree is a class C felony punishable according to chapter 9A.20 RCW.

(b) Community endangerment due to unsafe storage of a firearm in the second degree is a gross misdemeanor punishable according to chapter 9A.20 RCW.

(b) In the case of a person who is a prohibited person on the basis of the person's age, access to the firearm is with the lawful permission of the prohibited person's parent or guardian and supervised by an adult, or is in accordance with RCW 9.41.042;

(c) The prohibited person obtains, or obtains and discharges, the firearm in a lawful act of self-defense; or

(d) The prohibited person's access to the firearm was obtained as a result of an unlawful entry, provided that the unauthorized access or theft of the firearm is reported to a local law enforcement agency in the jurisdiction in which the unauthorized access or theft occurred within five days of the time the victim of the unlawful entry knew or reasonably should have known that the firearm had been taken.

(4) If a death or serious injury occurs as a result of an alleged violation of subsection (1)(a) of this section, the prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose or would defeat the purpose of the law in question.

(5) For the purposes of this section, "prohibited person" means a person who is prohibited from possessing a firearm under state or federal law.

(6) Nothing in this section mandates how or where a firearm must be stored. [2019 c 3 § 5 (Initiative Measure No. 1639, approved November 6, 2018).]

Finding—2019 c 3 (Initiative Measure No. 1639): "Gun violence is far too common in Washington and the United States. In particular, shootings involving the use of semiautomatic assault rifles have resulted in hundreds of lives lost, devastating injuries, and lasting psychological impacts on survivors, their families, and communities. Semiautomatic assault rifles are specifically designed to kill quickly and efficiently and have been used in some of the country's deadliest mass shootings, including in Newtown, Connecticut; Las Vegas, Nevada; and Parkland and Orlando, Florida, among others. Semiautomatic assault rifles have also been used in deadly shootings in Washington, including in Mukilteo and Tacoma.

The impacts of gun violence by assault weapons fall heavily on children and teenagers. According to one analysis, more than two hundred eight thousand students attending at least two hundred twelve schools have experienced a shooting on campus since the Columbine mass shooting in 1999. Active shooter drills are normal for a generation of American schoolchildren, instilling at a young age the sad and unnecessary realization that a mass shooting can happen in any community, in any school, at any time.

Enough is enough. The people find and declare that it is crucial and urgent to pass laws to increase public safety and reduce gun violence.

Implementing an enhanced background check system for semiautomatic assault rifles that is as strong as the one required to purchase a handgun and requiring safety training and a waiting period will help ensure that we keep these weapons out of dangerous hands. Further, federal law prohibits the sale of pistols to individuals under the age of twenty-one and at least a dozen states further

restrict the ownership or possession of firearms by individuals under the age of twenty-one. This makes sense, as studies show that eighteen to twenty year olds commit a disproportionate number of firearm homicides in the United States and research indicates that the brain does not fully mature until a later age. Raising the minimum age to purchase semiautomatic assault rifles to twenty-one is a commonsense step the people wish to take to increase public safety.

Finally, firearms taken from the home by children or other persons prohibited from possessing firearms have been at the heart of several tragic gun violence incidents. One study shows that over eighty-five percent of school shooters obtained the firearm at their home or from a friend or relative. Another study found that more than seventy-five percent of firearms used in youth suicide attempts and unintentional injuries were stored in the residence of the victim, a relative, or a friend. Secure gun storage requirements for all firearms will increase public safety by helping ensure that children and other prohibited persons do not inappropriately gain access to firearms, and notice requirements will make the potential dangers of firearms clear to purchasers.

Therefore, to increase public safety for all Washingtonians, in particular our children, this measure would, among other things: Create an enhanced background check system applicable to semiautomatic assault rifles similar to what is required for handguns, require that individuals complete a firearm safety training course and be at least twenty-one years of age to purchase or possess such weapons, enact a waiting period for the purchase of such weapons, and establish standards for the responsible storage of all firearms." [2019 c 3 § 1 (Initiative Measure No. 1639, approved November 6, 2018).]

Short title—2019 c 3 (Initiative Measure No. 1639): "This act may be known and cited as the public safety and semiautomatic assault rifle act." [2019 c 3 § 2 (Initiative Measure No. 1639, approved November 6, 2018).]

Implementation—2019 c 3 (Initiative Measure No. 1639): "The director of the department of licensing may take the necessary steps to ensure that this act is implemented on its effective date." [2019 c 3 § 18 (Initiative Measure No. 1639, approved November 6, 2018).]

WARNING: YOU MAY FACE CRIMINAL PROSECUTION IF YOU STORE OR LEAVE AN UNSECURED FIREARM WHERE A PERSON WHO IS PROHIBITED FROM POSSESSING FIREARMS CAN AND DOES OBTAIN POSSESSION.

(3) Every store, shop, or sales outlet where firearms are sold that is registered as a dealer in firearms with the department of licensing, upon the sale or transfer of a firearm, shall deliver a written warning to the purchaser or transferee that states, in block letters not less than one-fourth inch in height:

WARNING: YOU MAY FACE CRIMINAL PROSECUTION IF YOU STORE OR LEAVE AN UNSECURED FIREARM WHERE A PERSON WHO IS PROHIBITED FROM POSSESSING FIREARMS CAN AND DOES OBTAIN POSSESSION.

(4) Every person who violates this section is guilty of a class 1 civil infraction under chapter 7.80 RCW and may be fined up to two hundred fifty dollars. RCW 9.41.370 Large capacity magazines—Exceptions—Penalty. (1) No person in this state may manufacture, import, distribute, sell, or offer for sale any large capacity magazine, except as authorized in this section.

(2) Subsection (1) of this section does not apply to any of the following:

(a) The manufacture, importation, distribution, offer for sale, or sale of a large capacity magazine by a licensed firearms manufacturer for the purposes of sale to any branch of the armed forces of the United States or the state of Washington, or to a law enforcement agency in this state for use by that agency or its employees for law enforcement purposes;

(b) The importation, distribution, offer for sale, or sale of a large capacity magazine by a dealer that is properly licensed under federal and state law for the purpose of sale to any branch of the armed forces of the United States or the state of Washington, or to a law enforcement agency in this state for use by that agency or its employees for law enforcement purposes;

(c) The distribution, offer for sale, or sale of a large capacity magazine to or by a dealer that is properly licensed under federal and state law where the dealer acquires the large capacity magazine from a person legally authorized to possess or transfer the large capacity magazine for the purpose of selling or transferring the large capacity magazine to a person who does not reside in this state.

(3) A person who violates this section is guilty of a gross misdemeanor punishable under chapter 9A.20 RCW. [2022 c 104 § 3.]

RCW 9.41.375 Large capacity magazines—Unfair method of competition. Distributing, selling, offering for sale, or

facilitating the sale, distribution, or transfer of a large capacity magazine online is an unfair or deceptive act or practice or unfair method of competition in the conduct of trade or commerce for purposes of the consumer protection act, chapter 19.86 RCW. [2022 c 104 § 4.]

RCW 9.41.380 Safe storage of firearms expansion encouraged—No special relationship created by dealer storage. (1) In order to better prevent suicide by veterans, military members, and their families, an expansion of safe storage of firearms and reduced access to lethal means in the community is encouraged.

(2) A dealer who provides a service of allowing a person to temporarily store a firearm on the dealer's premises in a storage locker, box, or container that is locked and not accessible to the dealer does not thereby create a special relationship, for civil liability purposes, between the dealer and the person who temporarily stores the firearm on the dealer's premises. [2022 c 191 § 10.]

Findings—Intent—2022 c 191: See note following RCW 43.60A.260.

RCW 9.41.390 Assault weapons—Manufacturing, importing, distributing, selling prohibited—Exceptions—Penalty. (1) No person in this state may manufacture, import, distribute, sell, or offer for sale any assault weapon, except as authorized in this section.

(2) Subsection (1) of this section does not apply to any of the following:

(a) The manufacture, importation, distribution, offer for sale, or sale of an assault weapon by a licensed firearms manufacturer for the purposes of sale to any branch of the armed forces of the United States or the state of Washington, or to any law enforcement agency for use by that agency or its employees for law enforcement purposes, or to a person who does not reside in this state;

(b) The importation, distribution, offer for sale, or sale of an assault weapon by a dealer that is properly licensed under federal and state law for the purpose of sale to any branch of the armed forces of the United States or the state of Washington, or to a law enforcement agency in this state for use by that agency or its employees for law enforcement purposes;

(c) The distribution, offer for sale, or sale of an assault weapon to or by a dealer that is properly licensed under federal and state law where the dealer acquires the assault weapon from an individual legally authorized to possess or transfer the assault weapon for the purpose of selling or transferring the assault weapon to a person who does not reside in this state. The purpose of this section is to allow individuals who no longer wish to own an assault weapon to sell their assault weapon and is not intended to allow Washington dealers to purchase assault weapons wholesale for the purpose of selling a stock or inventory of assault weapons online or in person to nonresidents;

(d) The out-of-state sale or transfer of the existing stock of assault weapons owned by a licensed dealer that was acquired prior to

January 1, 2023, for the limited period of 90 days after April 25, 2023; or

(e) The receipt of an assault weapon by a person who, on or after April 25, 2023, acquires possession of the assault weapon by operation of law upon the death of the former owner who was in legal possession of the assault weapon, provided the person in possession of the assault weapon can establish such provenance. Receipt under this subsection (2)(e) is not "distribution" under this chapter. A person who legally receives an assault weapon under this subsection (2)(e) may not sell or transfer the assault weapon to any other person in this state other than to a licensed dealer, to a federally licensed gunsmith for the purpose of service or repair, or to a law enforcement agency for the purpose of permanently relinquishing the assault weapon.

(3) For the purposes of this section, "law enforcement agency" means any (a) general authority Washington law enforcement agency as defined in RCW 10.93.020; (b) limited authority Washington law enforcement agency as defined in RCW 10.93.020; or (c) equivalent federal, state, or local law enforcement agency in the United States.

(4) A person who violates this section is guilty of a gross misdemeanor. [2023 c 162 § 3.]

Findings—Intent—2023 c 162: "The legislature finds and declares that gun violence is a threat to the public health and safety of Washingtonians. Assault weapons are civilian versions of weapons created for the military and are designed to kill humans quickly and efficiently. For this reason the legislature finds that assault weapons are "like" "M-16 rifles" and thus are "weapons most useful in military service." Assault weapons have been used in the deadliest mass shootings in the last decade. An assailant with an assault weapon can hurt and kill twice the number of people than an assailant with a handgun or nonassault rifle. This is because the additional features of an assault weapon are not "merely cosmetic"; rather, these are features that allow shooters to fire large numbers of rounds quickly. An analysis of mass shootings that result in four or more deaths found that 85 percent of those fatalities were caused by an assault weapon. The legislature also finds that this regulation is likely to have an impact on the number of mass shootings committed in Washington. Studies have shown that during the period the federal assault weapon ban was in effect, mass shooting fatalities were 70 percent less likely to occur. Moreover, the legislature finds that assault weapons are not suitable for self-defense and that studies show that assault weapons are statistically not used in self-defense. The legislature finds that assault weapons are not commonly used in self-defense and that any proliferation is not the result of the assault weapon being well-suited for self-defense, hunting, or sporting purposes. Rather, increased sales are the result of the gun industry's concerted efforts to sell more guns to a civilian market. The legislature finds that the gun industry has specifically marketed these weapons as "tactical," "hyper masculine," and "military style" in manner that overtly appeals to troubled young men intent on becoming the next mass shooter. The legislature intends to limit the prospective sale of assault weapons, while allowing existing legal owners to retain the assault weapons they currently own." [2023 c 162 § 1.]

Effective date—2023 c 162: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 25, 2023]." [2023 c 162 § 6.]

RCW 9.41.395 Assault weapons—Consumer protection act. (1) The legislature finds that manufacturing, importing, distributing, selling, or offering for sale any assault weapon in violation of RCW 9.41.390 are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW; are not reasonable in relation to the development and preservation of business; and constitutes an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(2) A violation of RCW 9.41.390 is an unfair or deceptive act or practice or unfair method of competition in the conduct of trade or commerce for purposes of the consumer protection act, chapter 19.86 RCW.

(3) Any person or entity that receives a civil investigative demand issued pursuant to RCW 19.86.110 and that has an objection to answering in whole or in part may avail themselves of the procedural protections afforded in RCW 19.86.110(8). Further, the attorney general shall not share with a law enforcement agency conducting a criminal investigation any materials or information obtained via a response to a civil investigative demand issued pursuant to RCW 19.86.110 unless such information or materials are required to be disclosed pursuant to issuance of a search warrant. (1) Any court when entering an order authorized under chapter 7.105 RCW, RCW 9A.40.102, 9A.44.210, 9A.46.080, 9A.88.160, 10.99.040, 10.99.045, 26.09.050, 26.09.060, 26.26B.020, 26.26A.470, or 46.61.5055 shall, upon a showing by a preponderance of the evidence, that a party has: Used, displayed, or threatened to use a firearm or other dangerous weapon in a felony, or is ineligible to possess a firearm under the provisions of RCW 9.41.040:

(a) Require that the party immediately surrender all firearms and other dangerous weapons;

(b) Require that the party immediately surrender any concealed pistol license issued under RCW 9.41.070;

(c) Prohibit the party from accessing, having custody or control, possessing, purchasing, receiving, or attempting to purchase or receive, any firearms or other dangerous weapons;

(d) Prohibit the party from obtaining or possessing a concealed pistol license;

(e) Other than for ex parte temporary protection orders, unless the ex parte temporary protection order was reissued after the party received noticed and had an opportunity to be heard, direct law enforcement to revoke any concealed pistol license issued to the party.

(2) During any period of time that the party is subject to a court order issued under chapter 7.105, 9A.46, 10.99, 26.09, 26.26A, or 26.26B RCW that:

(a) Was issued after a hearing of which the party received actual notice, and at which the party had an opportunity to participate, whether the court then issues a full order or reissues a temporary order. If the court enters an agreed order by the parties without a hearing, such an order meets the requirements of this subsection;

(b) Restrains the party from harassing, stalking, or threatening an intimate partner of the party, the protected person, or child of the intimate partner, party, or protected person, or engaging in other conduct that would place an intimate partner or protected person in reasonable fear of bodily injury to the intimate partner, protected person, or child; and

(c) (i) Includes a finding that the party represents a credible threat to the physical safety of the intimate partner, protected person, or child; or

(ii) By its terms, explicitly prohibits the use, attempted use, or threatened use of physical force against the intimate partner, protected person, or child that would reasonably be expected to cause bodily injury, the court shall:

(A) Require that the party immediately surrender all firearms and other dangerous weapons;

(B) Require that the party immediately surrender a concealed pistol license issued under RCW 9.41.070;

(C) Prohibit the party from accessing, having custody or control, possessing, purchasing, receiving, or attempting to purchase or receive, any firearms or other dangerous weapons; and

(D) Prohibit the party from obtaining or possessing a concealed pistol license.

(3) The court may order temporary surrender and prohibit the purchase of all firearms and other dangerous weapons, and any concealed pistol license, without notice to the other party if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury could result if an order is not issued until the time for response has elapsed.

(4) In addition to the provisions of subsections (1) and (3) of this section, the court may enter an order requiring a party to comply with the provisions in subsection (1) of this section if it finds that the possession of a firearm or other dangerous weapon by any party presents a serious and imminent threat to public health or safety, or to the health or safety of any individual.

(5) The requirements of subsections (1) and (4) of this section may be for a period of time less than the duration of the order.

(6) The court shall require the party to surrender all firearms and other dangerous weapons in the party's custody, control, or possession, or subject to the party's immediate possession or control, and any concealed pistol license issued under RCW 9.41.070, to the local law enforcement agency.

(7) If the court enters a protection order, restraining order, or no-contact order that includes an order to surrender firearms, dangerous weapons, and any concealed pistol license under this section:

(a) The order must be served by a law enforcement officer;

(b) Law enforcement must immediately ensure entry of the order to surrender and prohibit weapons and the revocation of any concealed

pistol license is made into the appropriate databases making the party ineligible to possess firearms and a concealed pistol license; and

(c) Law enforcement officers shall use law enforcement databases to assist in locating the party in situations where the protected person does not know where the party lives or where there is evidence that the party is trying to evade service. RCW 9.41.801 Surrender of weapons or licenses—Ensuring compliance. (1) Because of the heightened risk of lethality to petitioners when respondents to protection orders become aware of court involvement and continue to have access to firearms, and the frequency of noncompliance with court orders prohibiting possession of firearms, law enforcement and judicial processes must emphasize swift and certain compliance with court orders prohibiting access, possession, and ownership of all firearms.

(2) A law enforcement officer serving a protection order, no-contact order, or restraining order that includes an order to surrender all firearms, dangerous weapons, and a concealed pistol license under RCW 9.41.800 shall inform the respondent that the order is effective upon service and the respondent must immediately surrender all firearms and dangerous weapons in the respondent's custody, control, or possession and any concealed pistol license issued under RCW 9.41.070, and conduct any search permitted by law for such firearms, dangerous weapons, and concealed pistol license. The law enforcement officer shall take possession of all firearms, dangerous weapons, and any concealed pistol license belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search. If the order is entered in open court and the respondent appears in person, the respondent shall be provided a copy and further service is not required. If the respondent refuses to receive a copy, an agent of the court may indicate on the record that the respondent refused to receive a copy of the order. If the respondent appears remotely for the hearing, or leaves the hearing before a final ruling is issued or order signed, and the court believes the respondent has sufficient notice such that additional service is not necessary, the order must recite that the respondent appeared before the court, has actual notice of the order, the necessity for further service is waived, and proof of service of the order is not necessary. The court shall enter the service and receipt into the record. A copy of the order and service shall be transmitted immediately to law enforcement. The respondent must immediately

surrender all firearms, dangerous weapons, and any concealed pistol license in a safe manner to the control of the local law enforcement agency on the day of the hearing at which the respondent was present in person or remotely. Alternatively, if personal service by a law enforcement officer is not possible, and the respondent did not appear in person or remotely at the hearing, the respondent shall surrender the firearms in a safe manner to the control of the local law enforcement agency within 24 hours of being served with the order by alternate service.

(3) At the time of surrender, a law enforcement officer taking possession of firearms, dangerous weapons, and any concealed pistol license shall issue a receipt identifying all firearms, dangerous weapons, and any concealed pistol license that have been surrendered and provide a copy of the receipt to the respondent. The law enforcement agency shall file the original receipt with the court within 24 hours after service of the order and retain a copy of the receipt, electronically whenever electronic filing is available.

(4) Upon the sworn statement or testimony of the petitioner or of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms or dangerous weapons as required by an order issued under RCW 9.41.800 or 10.99.100, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms and dangerous weapons in their possession, custody, or control. If probable cause exists that a crime occurred, the court shall issue a warrant describing the firearms or dangerous weapons and authorizing a search of the locations where the firearms and dangerous weapons are reasonably believed to be and the seizure of all firearms and dangerous weapons discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms or dangerous weapons surrendered pursuant to this section, and the person is determined by the law enforcement agency to be the lawful owner of the firearm or dangerous weapon, the firearm or dangerous weapon shall be returned to the lawful owner, provided that:

(a) The firearm or dangerous weapon is removed from the respondent's access, custody, control, or possession and the lawful owner agrees by written document signed under penalty of perjury to store the firearm or dangerous weapon in a manner such that the respondent does not have access to or control of the firearm or dangerous weapon;

(b) The firearm or dangerous weapon is not otherwise unlawfully possessed by the owner; and

(c) The requirements of RCW 9.41.345 are met.

(6) (a) Courts shall develop procedures to verify timely and complete compliance with orders to surrender and prohibit weapons under RCW 9.41.800 or 10.99.100, including compliance review hearings to be held as soon as possible upon receipt from law enforcement of proof of service. For any case where the court has indication that the respondent has in the respondent's possession, custody, or control firearms, dangerous weapons, or a concealed pistol license, a compliance review hearing shall be held. A compliance review hearing may be waived by the court or held at a later date if the information attested to by the person subject to the order, along with verification from law enforcement and any other relevant evidence, makes a sufficient showing that the person has timely and completely surrendered all firearms and dangerous weapons in the person's custody, control, or possession, and any concealed pistol license

issued under RCW 9.41.070, to a law enforcement agency, and the court is able to make a finding of compliance. If the court does not have a sufficient record before it on which to make such a finding, the court must set a review hearing to occur as soon as possible and service by law enforcement shall be prioritized to minimize the time during which the respondent could access their firearms, dangerous weapons, or concealed pistol license. The respondent must be present and provide proof of compliance with the court's order. Courts shall make available forms that petitioners may complete and submit to the court in response to a respondent's declaration of whether the respondent has surrendered weapons.

(b) In making its findings regarding compliance, the court should also consider any available department of licensing and Washington state patrol firearm records; for criminal cases, the police report and any documentation of firearms, or their recovery pursuant to RCW 10.99.030(3)(a); and for civil protection order cases, the protection order narrative, any sections of the protection order petition that specifically reference or inquire about firearms and other dangerous weapons, any attachments to the protection order petition, any affidavits from law enforcement or the petitioner in response to a respondent's declaration regarding firearm surrender, or other relevant evidence regarding firearms, dangerous weapons, or a concealed pistol license in the person's custody, control, or possession.

(c) If the court is considering waiving or delaying the compliance review hearing, the petitioner, law enforcement, or the state or city attorney may request that the compliance hearing be held, if there is reasonable suspicion to believe that the respondent has not surrendered all firearms, dangerous weapons, and any concealed pistol license, or is otherwise out of compliance with the court's order.

(7)(a) If a court finds at the compliance review hearing, or any other hearing where compliance with the order to surrender and prohibit weapons is addressed, that there is probable cause to believe the respondent was aware of and failed to fully comply with the order, failed to appear at the compliance review hearing, or violated the order after the court entered findings of compliance, pursuant to its authority under chapter 7.21 RCW, the court may issue an arrest warrant and initiate a contempt proceeding to impose remedial sanctions on its own motion, or upon the motion of the prosecutor, city attorney, or the petitioner's counsel, and issue an order requiring the respondent to appear, with additional sanctions for failure to appear, provide proof of compliance with the order, and show cause why the respondent should not be held in contempt of court.

(b) If the respondent is not present in court at the compliance review hearing or if the court issues an order to appear and show cause after a compliance review hearing, the clerk of the court shall electronically transmit a copy of the order to show cause to the law enforcement agency where the respondent resides for personal service or service in the manner provided in the civil rules of superior court or applicable statute. Law enforcement shall also serve a copy of the order to show cause on the petitioner, either electronically or in person, at no cost.

(c) The order to show cause served upon the respondent shall state the date, time, and location of the hearing and shall include a warning that the respondent may be held in contempt of court if the respondent fails to promptly comply with the terms of the order to

surrender and prohibit weapons and a warning that an arrest warrant could be issued if the respondent fails to appear on the date and time provided in the order.

(d) (i) At the show cause hearing, the respondent must be present and provide proof of compliance with the underlying court order to surrender and prohibit weapons and demonstrate why the relief requested should not be granted.

(ii) The court shall take judicial notice of the receipt filed with the court by the law enforcement agency pursuant to subsection (3) of this section. The court shall also provide sufficient notice to the law enforcement agency of the hearing. Upon receiving notice pursuant to this subsection, a law enforcement agency must:

(A) Provide the court with a complete list of firearms and other dangerous weapons surrendered by the respondent or otherwise belonging to the respondent that are in the possession of the law enforcement agency; and

(B) Provide the court with verification that any concealed pistol license issued to the respondent has been surrendered and an agency with authority to revoke the license has been notified.

(iii) If the law enforcement agency has a reasonable suspicion that the respondent is not in full compliance with the terms of the order, the law enforcement agency must submit the basis for its belief to the court, and may do so through the filing of a declaration.

(e) If the court finds the respondent in contempt, the court may impose remedial sanctions designed to ensure swift compliance with the order to surrender and prohibit weapons.

(f) The court may order a respondent found in contempt of the order to surrender and prohibit weapons to pay for any losses incurred by a party in connection with the contempt proceeding, including reasonable attorneys' fees, service fees, and other costs. The costs of the proceeding shall not be borne by the petitioner.

(8) (a) To help ensure that accurate and comprehensive information about firearms compliance is provided to judicial officers, a representative from either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may appear and be heard or submit written information at any hearing that concerns compliance with an order to surrender and prohibit weapons.

(b) Either the prosecuting attorney's office or city attorney's office, or both, from the relevant jurisdiction may designate an advocate or a staff person from their office who is not an attorney to appear on behalf of their office. Such appearance does not constitute the unauthorized practice of law.

(9) (a) The act of voluntarily surrendering firearms or weapons, providing testimony relating to the surrender of firearms or weapons, or complying with an order to surrender and prohibit weapons issued pursuant to RCW 9.41.800 or 10.99.100, and any information directly or indirectly derived from such act or testimony, may not be used against the person subject to the order in any criminal prosecution under this chapter, chapter 7.105 RCW, or RCW 9A.56.310, or in any criminal prosecution pursuant to which such order to surrender and prohibit weapons was issued, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the order. Every such order issued subsequent to July 23, 2023, shall contain language consistent with the statutory immunity set forth in this subsection.

(b) If a person subject to such an order invokes the privilege against self-incrimination at the time of issuance of the order or at a subsequent hearing, the court may afford the person subject to the

order an opportunity to demonstrate that compliance with the surrender provision of the order would expose that person to a realistic threat of self-incrimination in a subsequent or pending criminal proceeding. The court may conduct this portion of the proceeding ex parte or receive evidence in camera, without the presence of the prosecuting attorney, after the court conducts an analysis under *State v. Bone-Club*, 128 wn.2d 254, and concludes that the courtroom may be closed.

(c) If the person subject to the order establishes such a realistic threat of self-incrimination regarding possible criminal prosecution that is not addressed by the immunity from prosecution set forth in (a) of this subsection, the court shall afford the relevant prosecuting attorney an opportunity to offer an immunity agreement tailored specifically to the firearms or weapons implicated by the potential self-incrimination. To achieve the purposes of this section, any immunity offered should be narrowly tailored to address any realistic threat of self-incrimination while ensuring that any other firearms not implicated are surrendered.

(d) Any immunity from prosecution beyond the immunity set forth in (a) of this subsection, may only be extended by the prosecuting attorney. If the prosecuting attorney declines to extend immunity such that the person subject to the order cannot fully comply with its surrender provision without facing a realistic threat of self-incrimination, the court's order must provide for the surrender of every firearm, dangerous weapon, and concealed pistol license that does not implicate a realistic threat of self-incrimination. The order's prohibitions regarding accessing, purchasing, receiving, or attempting to purchase or receive, any firearms or other dangerous weapons, or concealed pistol license, remain in effect.

(e) Nothing in this section shall be interpreted as diminishing the requirement that the person subject to the order fully comply with the order issued by the court. The burden remains on the person subject to the order to prove compliance.

(10) To provide relevant information to the court to determine compliance with the order, the court may allow the prosecuting attorney or city attorney to question the respondent regarding compliance.

(11) All law enforcement agencies must have policies and procedures to provide for the acceptance, storage, and return of firearms, dangerous weapons, and concealed pistol licenses that a court requires must be surrendered under RCW 9.41.800. A law enforcement agency holding any firearm or concealed pistol license that has been surrendered under RCW 9.41.800 shall comply with the provisions of RCW 9.41.340 and 9.41.345 before the return of the firearm or concealed pistol license to the owner or individual from whom it was obtained.

(12) The administrative office of the courts shall create a statewide pattern form to assist the courts in ensuring timely and complete compliance in a consistent manner with orders issued under this chapter. The administrative office of the courts shall report annually on the number of ex parte and full orders issued under this chapter by each court, and, if available, the type of protection order, no-contact order, restraining order, or criminal charge with which the order was issued, the duration of the order, the period of time from issuance of the order until the court's finding of compliance, any violations, the nature of the violations, any sanctions imposed, the number of firearms obtained pursuant to each order, whether subsequent orders were issued involving the same

respondent, and may make recommendations regarding additional procedures, training, or data collection and reporting to enhance compliance and victim safety. [2023 c 462 § 403; 2022 c 268 § 30; 2021 c 215 § 75; 2020 c 126 § 1; 2019 c 245 § 2.]

RCW 9.41.802 Proof of surrender and receipt pattern form—Declaration of nonsurrender pattern form—Administrative office of the courts to develop. By December 1, 2014, the administrative office of the courts shall develop a proof of surrender and receipt pattern form to be used to document that a respondent has complied with a requirement to surrender firearms, dangerous weapons, and his or her concealed pistol license, as ordered by a court under RCW 9.41.800. The administrative office of the courts must also develop a declaration of nonsurrender pattern form to document compliance when the respondent has no firearms, dangerous weapons, or concealed pistol license. [2014 c 111 § 4.]

RCW 9.41.804 Proof of surrender and receipt form, declaration, or other evidence—Requirement to file with clerk of the court. (1) To prove full compliance with the court's order to surrender firearms, dangerous weapons, and any concealed pistol license under RCW 9.41.800 the person subject to the order must file with the clerk of the court: (a) A completed proof of surrender and receipt form; (b) a declaration that the person has no firearms, dangerous weapons, or concealed pistol license; or (c) other evidence sufficient to establish full and timely compliance with the order.

(2) The verification of compliance required in subsection (1) of this section must be provided to the court within 24 hours of service of the order, unless the order is pursuant to a criminal proceeding. In a criminal proceeding, if the person subject to the order is in custody, proof of compliance must be provided to the court before the person subject to the order is released from custody; otherwise, proof of compliance must be provided before the conclusion of the sentencing hearing. If the court finds that surrender of all firearms, dangerous weapons, and any concealed pistol license is not possible prior to release or prior to the conclusion of the hearing, then arrangements for surrender shall be made and approved by the court before the person's release from custody or before the conclusion of the sentencing hearing, and the court shall order a law enforcement officer to accompany the person to the location where the firearms, dangerous weapons, and concealed pistol license are located so that they are surrendered directly to the law enforcement officer. Surrender to local law enforcement shall occur in a safe manner and proof of compliance provided by law enforcement to the court within 24 hours of either the person's release from custody or the conclusion of the sentencing hearing.

(3) By December 30, 2023, the administrative office of the courts shall develop and distribute any new or updated forms necessary to implement subsections (1) and (2) of this section, and other sections

of chapter 462, Laws of 2023 where a form needs to be created or updated. [2023 c 462 § 404; 2014 c 111 § 5.]

For the purpose of assisting courts in ensuring compliance with an order to surrender and prohibit weapons or an extreme risk protection order, the department of licensing, or the agency with responsibility for maintaining that information should it be an agency other than the department of licensing, shall make the following information available to prosecuting attorneys' offices, city attorneys' offices, public defender agency staff, probation services personnel, and judicial officers and staff of municipal, district, and superior courts for the following law enforcement purposes:

- (1) Determining whether a person is ineligible to possess firearms;
- (2) Determining a person's firearms purchase history; and
- (3) Determining whether a person has or previously had a concealed pistol license, or has applied for a concealed pistol license. [2021 c 215 § 76.]
